Wang Yang Vice-Chairpersons Top-ranked: From Wikipedia, the free encyclopedia. China maintains a policy of openness in its cooperative relations with the rest of the Asia-Pacific region, while also taking into consideration the interests and requests of countries outside the region.

HeadoftheOrganizationDepartment.Weusecookiestoimproveouruserexperience. However, elections are also an element in socialist consultative democracy, [18] even though the People's Republic of China is often erroneously criticized in the West for not having elections. Some Chinese scholars such as Zhou Tianyong, the vice director of research of the Central Party School Power and Politics, argue that gradual political reform as well as repression of those pushing for overly rapid change over the next twenty years will be essential if China is to avoid an overly turbulent transition to a middle class dominated polity. Vice Premier of the State Council first-ranked.

To confront these challenges, the Chinese government has set forth a doctrine. This article is about the politics of the People's Republic of China. The Chinese Communist Party considers China to be in the initial stages of socialism.
