I did not fall in love with any of the characters and some were little more than stereotypes, but overall, it served as a satisfactory introduction. Alexa Actionable Analytics for the Web. Kindle Cloud Reader Read instantly in your browser. His ship, the Mobius, is home to a ragtag crew of misfits and refugees looking to After a long day of prepping a house for painting, all Gus Berry wanted was the night off to spend some time with his girlfriend and relax before having to return to work the next morning. I really liked this book and may read it. Good for listening to while dickering around on candy crush, or getting somehou the voice of the narrator strangely mismatched with what he was reading. The ending is Ok, it is a prequel, but it does not leave you hanging.
