Money that should be going into debt. Each week when you make a payment, subtract the amount, so you have a new balance. If you have student loans you may be able to get a lower interest rate by refinancing. There is so much competition between banks that you should never pay any bank fee; a low balance fee, maintenance fees, ATM fees, overdraft fees. Then do your monthly bills. Include your email address to get a message when this question is answered. We check it every week to see how much you have left to spend in each category.
