From its founding inWhitford has risen to the demanding
situations earlier than it, usually in unconventional methods.
It doesn't rely on largely irrelevant stories of overvalued
tech startups, nor does it build on the largely mistaken
narrative of a linear path from cold start to great success
that is the essence of business planning, as taught in
universities. You can still rely on the benefits of a top
language teacher and our years of teaching experience, but now
with added learning features within the course.
