Self-Hypnosis offers you a powerful resource for transformation that will help you remodel your life and turn it onto what you want it to be! Imagine a book on top of it, holding it. Self-hypnosis is a perfectly safe, pleasant, non-toxic and often more effective alternative to tranquillisers or painkillers.

Rodders added it Aug 10, There are a bunch of hypnosis tracks available online. Writing out your suggestions before induction can be very effective, as a visual list of what you choose to work on can sometimes be more easily remembered than even carefully assembled thoughts. Although we may not realise it, we all carry around within us the necessary resources for personal evolution and success. Zeynel marked it as to-read Dec 09, Develop your latent talents and abilities. Did this article help you?
