Most pages have a great painting on them, and not just by. But there was enough good information in this book that I will 1 probably read it again, 2 study it to some extent and 3 keep it around as a reference. They are all explained in clear and concise manner. SimplesecretNevermakethetwointervalsthe. Lists with This Book. Yes there are other good books on composition but often they require a long check off sheet. Contact You can reach me. Jul23, HeatherRichardratedititwasamazing. Open Preview See a Problem? It's an insightful artistic philosophy that boils down the many technical principles of composition into a single master rule that's easy to remember and apply:
