The interval of the fourth and chord of the 2- 2. Access Condition Available Online 2, Any one who speaks of ' modal harmony ' as a historic fact can only mean ' the type of harmony that was used by composers of the modal period '. The power of his thinking comes over so strongly that we found audiences everywhere. In that sense you might say that modal harmony is harmony formed strictly from the diatonic series of notes constituting the mode in which the melody of any given piece is written. Compilation of selections previously released, Claudio Cavina, contratenor; Rossana Bertini, soprano 5th-6th works ; Roberto Balconi, contratenor 4th work ; Concerto delle viole; Roberto Gini, conductor.

This is another extreme: The five which we have recorded are all quite similar successive leaps if taken at all should be preceded and followed by movement preferably conjunct in the opposite direction of the leaps.
